PURR SEASONS CAT HOTEL BOOKING APP

CARLIE HAMILTON & NATALIE SARGENT

Concept

- Cat Hotel Booking System for the Purr Seasons Cat Hotel.

- Allows one cat to create one booking, with a choice of several rooms in a seven day period.

- We wanted to create something challenging and fun!

```
------------------------------------------------------------------
                        WELCOME TO THE
                    Purr Seasons Cat Hotel!
------------------------------------------------------------------

    Hello Human!

Please enter your cat's name right meow:

_
```

```
------------------------------------------------------------------
                        WELCOME TO THE
                    Purr Seasons Cat Hotel!
------------------------------------------------------------------
